

## Alpha Deli

by Gina Harman

Alpha Deli is owned and operated by Robb Pike of Newberry, MI and McMillan Township. He first established his fresh sandwich business in 1987 and at the time also ran a restaurant in Sault Ste. Marie. In 2010, Robb moved back to Newberry and brought his sandwich business to the lower floor kitchen of the McMillan Township Hall. "We have fresh sandwiches with the high grade cold cuts and cheeses. Each sandwich is fresh and hand wrapped."

Robb's business is growing and with over 65 establishments and counting he is plenty busy. Alpha Deli can be found throughout the region including: Escanaba, Marquette, Munising, Manistique, Sault Ste. Marie, St. Ignace, and of course Newberry, MI.

The benefits to being here is very convenient, because it is located where his six employees live. Working out of the McMillan Township Hall has also been handy for Robb since he is a resident of McMillan Township and lives just a block away.

Alpha Deli has nearly 30 choices in sandwich types with the Italian being the most popular. Our second runner up is the famous "Super Yooper" that features bologna, salami, hard salami, onions, along with 2 kinds of cheeses!

It's great to have businesses running in the Township Hall, its community that makes us who we are.
